

ILLUNAATA OSA'S COMMUNITY MURAL PROJECT

Illunaata which means “all together” in Inuktitut, is a celebration of Canadian imagery and community through the medium of paint. To mark this momentous year, The Ottawa School of Art (OSA) will be partnering with the Ottawa 2017, Ottawa Community Housing (OCH) and the Embassy of Imagination (EOI) to create a series of murals that are universally accessible, promote diversity, respect, positivity, and speak to OSA's motto, “Teaching Art to everyone” by sharing art with everyone!
